

What to do?									
Sign up to 1 kitchen shift, 1 moop shift and a 3rd shift of your choice (can be moop or kitchen again)									
You sign up by adding a comment with your full name to the cell. Please check later if your name actually made it there									
If you're a performer or want to lead an activity, we invite you to gift this to the camp. However, if this requires a lot of planning or time on your end, you can make it count as a third shift. Please reach out to Gizem / @valentineaseyo / Luset before April 17th .									
15 members have contributed their time extensively prior to the burn and only need to sign up for two shifts.									
These assignments are not final and we may not be able to accomodate every wish!									
We may need to change shifts due to unforeseen constraints before the burn									
If this happens, this sheet will be updated									
It is important for everyone to recheck this sheet before the burn									
A printed version will act as source of truth on the burn									
If you are in the sound team and/or performing as a DJ									
Then you will have an additional "sound shift", working together with the stage management shift to run operations at the stage									
These assignments are not part of the Why Not Participate sheet and will be handled by Dan

- We will not have any paid kitchen staff or help, so it's all up to us to step up and contribute – it'll go very smoothly if we all pitch in. This is a great chance to participate, help nourish your campmates and make friends!
- Every camp member is expected to sign up for at least 3 shifts for the week and 1 of these shifts must be a Kitchen shift.
- For each meal, we will need groups of 7-8 people. 3 cooks (including a team leader), 2 cleaners and 2/3 floating helpers
- The team leader for each meal has to come up with the idea for the meal and provide the full ingredients list with the required amounts to the kitchen leader
- Every meal leader is expected to guide their team, make sure they show up and manage the kitchen for the meal
- Floaters help their crew members with their needs. Find vegetables, utensils, clean items, provide music and sparkles..

leader - running the operation: gathering up everyone for work, giving tasks and coordinating work

keepers - collecting MOOP, smashing cans and bottles, replacing trash bags, taking it to recycle, cleaning up around, replacing empty water jugs at the communal kitchen

team check - a member of the MOOP team will be responsible for making sure all the tasks are completed as needed

What's expected?

- refresh 3 bucket system
- tidy and clean the camp: tent area, lounge, communal kitchen, showers, stage, playa around the camp
- floor covers are secured
- night lights are turned on/off
- empty bins and recycled garbage
- bring water jugs to the communal area
- found items are collected in the last&found box

Moop management is a communal effort and happens 24/7. If you see trash, pick it up. Doesn't matter what time it is or what team you belong to
These moop shifts are a safety net to ensure our Camp is presentable at ALL times
